Ankola, India | +91-9964349364 | apoorvagaonkar9964@gmail.com

CAREER OBJECTIVE

Seeking a software development internship to apply my skills in Java, web development, and databases while contributing to real-world projects and gaining industry-ready experience.

EDUCATION

Sahyadri College of Engineering and Management, Mangalore <i>B.E. in Computer Science and Engineering</i>	2022 – 2026 CGPA: 8.09/10
Gokhale Centenary College, Ankola <i>Karnataka State Board.</i>	Percentage :79.8 May 2020 - April 2022

SKILLS

- Programming Languages: Core Java, C, Python
- Databases: SQL
- Tools & Platforms: VS Code, Git, GitHub

PROJECTS

Restaurant Management System

Web Project

- Built a Restaurant Management System with modules for orders, menu updates, and customer billing.
- Enhanced operational efficiency through real-time order processing and data management.
- **Tech Stack:** React.js, Express.js, MongoDB.

Graph-Based LAN Framework for Insider Threat Detection

Final Year Project – 2025

- Developed an advanced framework to detect insider threats in organizational networks using graph-based learning and temporal behavior analysis.
- Implemented real-time anomaly detection to identify subtle deviations in user behavior and prevent data breaches.
- Integrated blockchain-based secure metadata storage to enhance enterprise network security.
- **Tech Stack:** Hyperledger Fabric, IPFS, Graph Neural Networks (GNN), Python, Express.js, Next.js, Docker, Blockchain, AES Encryption.

CERTIFICATIONS & COURSES

- **Core Java Programming Revisited — Infosys Springboard**
Covered Java basics, OOP concepts, exception handling, arrays, and basic I/O. Implemented small programs demonstrating logic building and problem-solving in Java.
- **Introduction to Cyber Security – Infosys Springboard**
Gained foundational understanding of cybersecurity principles, threat detection, vulnerability assessment, and secure system practices for enterprise environments.

ACHIEVEMENTS

Social Internship – Suvidha Foundation, Mangalore

Contributed to community development initiatives focused on education, health awareness, and sustainable development for underprivileged communities.

Collaborated with volunteers and local groups to organize awareness programs and grassroots campaigns, promoting inclusivity and positive social impact.
